

# Remain in me, as I remain in you

*Just as a branch cannot bear fruit on its own unless it remains on the vine, so neither can you unless you remain in me. I am the vine, you are the branches. Whoever remains in me and I in him will bear much fruit, because without me you can do nothing. ~ John 15:4-5*

**SUNDAY, APRIL 28, 2024**  
**5<sup>th</sup> Sunday of Easter**

**M**y friend and fellow pastor, Father Paul, noticed unsightly, overgrown trees near his parish church. He asked the maintenance crew to cut back the growth, which they happily did, telling him the trees would be much healthier and even fuller after a good pruning. A few days later, Father Paul received a letter from an irate man in the neighborhood who wrote, "Jesus would never prune trees like that. He loves trees, unlike you."

I suspect that the neighbor was not familiar with this week's Gospel in which Jesus says of his Father, "**He removes every branch in me that bears no fruit. Every branch that bears fruit he prunes to make it bear more fruit**" (John 15:2) I don't mean to pick too much on that fellow. He was perhaps ignorant of arboriculture. But I'd wager his main confusion was the pruning and removing quality of God's love. That confusion afflicts us all to some degree, doesn't it? It is just so darn easy to react negatively when God cuts something out of our lives and assume it's not his work at all. In the moment, all we see is the loss, and not the loving desire for future flourishing.

The cross is the great pruning of Christ's body. Jesus' rising is the brand-new growth. It is God's promise to us that all the painful pruning in life is leading us somewhere beautiful. What has been cut back or out in your life? A friend, an opportunity, a sense of certainty, a job, health, a relationship? This week, offer those dry branches to the one who lovingly prunes us in order to make our lives burst with verdant growth.

~ Father John Muir @ LPI

## CORPUS CHRISTI PROCESSION

SUNDAY, JUNE 2<sup>ND</sup>  
AT 3:00PM

ON THE HARRISON  
TOWN SQUARE

*John 6:51*

"I am the living bread that came down from heaven; whoever eats this bread will live forever, and the bread that I will give is my flesh for the life of the world."

*Matthew 26:26*

"While they were eating, Jesus took the bread, said the blessing, broke it, and giving it to his disciples said, 'take and eat; this is my body.'"

From the very beginning of Christianity, the doctrine of Jesus' body and blood being truly present in the "Eucharist," a word meaning thanksgiving, has always been held. In keeping the teaching of the Holy Scripture and the earliest traditions of Christianity, the Catholic Church has maintained that the Eucharist, consecrated by a priest in the line of apostolic tradition, is not a symbol or image of Jesus, but is truly, actually, and substantially, His body, blood, soul, and divinity.

*1 Corinthians 10:16-17*

"The bread which we break, is it not a participation in the body of Christ? Because there is one body, we who are many are one body, for we all partake of the one bread."

*Acts 2:42*

"And they held steadfastly to the Apostles' teaching and fellowship, to the breaking of the bread and to the prayers."

In acknowledgement of this reality, Catholics all around the world worship the Eucharist in adoration through various liturgical celebrations, including Eucharistic processions.

Mary Mother of God would like to invite you to a Corpus Christi Procession on Sunday, June 2, 2024 at 3:00pm on the Harrison Town Square. All are welcome to participate in prayer as we walk with Jesus.

St. Michael the Archangel,  
defend us in battle.

Be our safeguard against  
the wickedness

and snares of the devil.

May God rebuke him, we humbly pray,  
and do thou, O Prince of the heavenly hosts,

by the power of God,

cast into hell Satan and all the evil spirits  
who roam through the world  
seeking the ruin of souls.

Amen.

## DIOCESE OF LITTLE ROCK

2500 North Tyler Street • P.O. Box 7565 • Little Rock, Arkansas 72217 • (501) 664-0340 Fax (501) 664-6304

February 12, 2024

To the People of the Diocese of Little Rock,

A petition is currently being circulated in Arkansas to place an amendment on our November 2024 voting ballots that would change our state constitution to allow abortions until 18 weeks after conception. As Bishop of the Diocese of Little Rock, I urge all Catholics and all people of good will not to sign this petition.

During this campaign to enshrine abortion in our constitution, we expect that our media will be flooded with emotional propaganda. We should all know the truth about abortion and women's healthcare.<sup>1</sup> Abortion, the direct and intentional killing of a child in the womb, is never morally permissible. Abortion is never medically necessary. It does not treat or solve any pregnancy-related complication. It is not the same as treatment for miscarriage, because in miscarriage the baby has already died. Banning abortion does not prevent women from receiving true healthcare that they need. In rare cases, and in the absence of better alternatives, life-threatening maternal health conditions may require interventions that indirectly and unintentionally lead to the death of an unborn child— but this is not abortion.

This radical amendment would also strip our government from protecting women and their unborn children by gutting the state's regulatory laws like requiring parental consent before a minor has an abortion, informed consent and ultrasound requirements, or abortion facility inspection. Arkansas would be unable to protect unborn children who can already feel pain from dismemberment abortion.

The citizens of Arkansas share in the responsibility to legally protect every human life from conception to natural death. It is critical that all registered voters decline to sign the petition to allow the Arkansas Abortion Amendment on the November 2024 ballot. Rather than abortion, women should be provided love, compassion, and support through pregnancy and into each child's early years. Together we can protect the lives of thousands of innocent babies.

Sincerely in Christ,

+Anthony B. Taylor  
Bishop of Little Rock

# The Truth About **Abortion** & **Women's Health**

**Abortion does not save women's lives.**

**Abortion** is the **direct** and **intentional** killing of a child in the womb.

**Abortion is never medically necessary.** It does not treat or solve any pregnancy-related complication.

**Outlawing abortion will not affect treatment for miscarriage.**

**Treatment for miscarriage and abortion is not the same thing.**

There is a complete moral and legal difference between losing a child through miscarriage and intentionally taking the life of a child.

In the tragic case of miscarriage, surgery may be necessary—and is an ethical treatment—to remove the remains of an unborn child who has *already died*.

While the same surgery is done to perform an abortion, abortions impose this procedure on a *living child* with the **intention** of ending his or her life.

**Women can get the lifesaving treatments they need—without abortion.**

In rare cases, and in the absence of better alternatives, life-threatening maternal health conditions may require interventions that **indirectly** and **unintentionally** lead to the death of an unborn child. **Abortion restrictions will not prevent women from receiving these treatments.**

When the lives of mother and child are in immediate danger, the goal is to fight to save both patients. **Effective treatments exist that seek to save the life of the mother and never to intentionally harm her unborn child.**

When a woman's life is at risk in pregnancy, preterm delivery may be used as a lifesaving medical intervention to preserve the life of both mother and child.<sup>1</sup>

**Ectopic pregnancies** result when an embryo implants outside the uterus—often in the fallopian tube. Sadly, such embryos cannot survive and this condition can pose serious risks to the mother. While ectopic pregnancies sometimes resolve naturally, interventions are often necessary.

**When done ethically, treatment for an ectopic pregnancy is not abortion.** Ethical interventions include the removal of the damaged fallopian tube containing the embryo or, if embryo death has already occurred, medication can be used to resolve the ectopic pregnancy.

**Bottom line: Abortion restrictions never prevent women from receiving life-saving treatment.<sup>2</sup>**

## FEATURED: WITNESS THE JOY OF EASTER

This Easter, we are called to share the celebration of Christ's Resurrection with those around us. In the closing of his Easter Vigil homily in 2000, St. John Paul II said, "Yes, Christ is truly risen and we are witnesses of this. We proclaim this witness to the world, so that the joy which is ours will reach countless other hearts, kindling in them the light of the hope which does not disappoint." The Lord invites each of us to bring others into the joy of this season so that they too may encounter Christ in the glory of his Resurrection.

The evangelistic invitation of this great mystery must first begin within the family. By sharing with our children and relatives, we are bringing those closest to us into the fold of union with Christ. Through the sacraments, family traditions, and fruitful conversations, your parishioners can begin to share this joy.

To encourage and aid in this invitation, FORMED is offering resources and specials that are designed to share the joy of Easter with the whole family, helping each member deepen their relationship with Christ.

# CONTENT SPOTLIGHT

## A Witness to Mercy

The sin of our first parents, Adam and Eve, has distorted the way we see God. But God hasn't given up on us. In fact, he has tirelessly worked to heal our distorted image of him through his "School of Trust," beginning even as far back as the Old Testament.

As we approach the Sunday of Divine Mercy, the Lord invites us to rediscover the trust he calls us to and to encounter his love for us. But how can we witness this love and invite others into it?

*Divine Mercy* with renowned speaker and author Fr. Michael Gaitley, offers a beautiful journey for viewers to walk through as they discover the Lord's mercy. Based on the book *The Second Greatest Story Ever Told* this series tells the dramatic history of God's love and mercy as interwoven through the transformative message of St. Faustina, the miraculous appearance of Mary at

Fatima, the witness of Maximilian Kolbe, and the world-changing papacy of Pope St. John Paul II.

Featuring the brilliant cinematic artistry of the Augustine Institute's film studio, the vast panorama of God's work of mercy in the world unfolds as a story to be experienced. In your parish, bringing the story of divine mercy to your families is more than just an event, but an invitation to receive the Lord's mercy and become witnesses to it.

This 10-episode series walking viewers through the story of God's mercy is perfect for parish programs and discussions. Consider showcasing these episodes as a weekly series on mercy, and invite your parish to ask for the Lord's mercy.

This year, invite your parishioners deeper into the wellspring of mercy with *Divine Mercy with Father Michael Gaitley* on FORMED.

# Catholic Arkansas Sharing Appeal

## A Message from Your Bishop

My brothers and sisters in Christ, over the course of the last 15 ½ years as your bishop, I have come to marvel at the evident vitality of the Church here in Arkansas. We are a mission diocese and we are a diocese with a mission—in two similar but distinct ways: 1) generous Catholics from outside Arkansas help us with needs we are not able to meet on our own, and 2) generous Catholics from within Arkansas reach out to help others in our state through our annual CASA appeal, through our One Church campaign and in other ways as well.

It is easy for us to forget how much we are still a mission Church, in terms of distance and population. Although we have 130 Churches scattered throughout the state, we still have 8 counties with no Catholic Church and 36 counties without a resident priest—almost half of the state. But in much of Arkansas we continue to grow, especially in the northwest part of the state. Indeed, our Catholic population has tripled in the last 50 years, from 55,000 to 166,000, and we now constitute almost 6% of the general population—we used to be less than 3%. Our growth is due in part to the sacrifices of many Catholics outside of Arkansas. Historically it was missionary priests who came to us from Germany and Italy, and then later Philadelphia, at a time when it was difficult to be a Catholic in Arkansas. Today we continue to be blessed with 22 missionary priests who now come mainly from Africa, Latin America and Asia. Without the help of these generous missionary priests, many of our Churches would not be able to have Mass every weekend. Thanks to them, we have not had to close any Churches for lack of personnel during my time as your bishop.

Other outside help has come to us through the Catholic Extension Society, which over the last 25 years has given us \$4.6 million in grant money for Church construction and help with the salaries of many of our sisters engaged in Hispanic ministry. I encourage you to take a moment to thank our missionary priests and our Religious Order priests and sisters. We owe them a lot! But that's only half of the story. The other half are the sacrifices of many Catholics from within Arkansas. That's you! So I want to take this opportunity to thank all 97 priests of our diocese — the 82 Diocese of Little Rock priests in active ministry and our 15 senior priests. And of course, our Benedictine and other religious order priests. I also want to thank our 25 seminarians who give us so much hope for the future, our 107 permanent deacons in active ministry, the 60 men in formation for the diaconate and almost 150 men and women religious, many of whom are elderly. But you know, the mission of the Church is for all of us, not just the clergy and religious. So, I am grateful for our Knights of Columbus who do so much to support the work of the Church across our diocese, and the Serra Club, the Knights and Dames of the Holy Sepulcher, the Knights and Ladies of Peter Claver, and of course our catechists and RCIA coordinators, and so on...you too are missionaries — home missionaries — and I am so grateful for all your sacrifices and dedicated work spreading the Good News of Jesus Christ in your parishes and local communities.

And of course, it costs a lot of money to fund the operation of the diocese and the activities of the Church in Arkansas, which go well beyond just our diocesan offices—hence our annual Catholic Arkansas Sharing Appeal-CASA. You would be amazed at all that is being done on the diocesan level, about which you can read in the latest issue of our weekly Arkansas Catholic newspaper. The Bible calls us to return 10% of our income to the Lord, most of which you should give to your local parish and other charities, but I do ask you to give 1% of your income to our annual CASA appeal. By supporting the work of the diocese, you participate in the missionary outreach of the Church beyond your local parish.

I want to thank you very sincerely for your exceptionally generous response to CASA last year—we made our goal of \$2,000,000! We are a missionary Church, and we are a Church with a mission! Through CASA you participate in the missionary outreach of Jesus' Church right here in Arkansas!
