When God Whispers – “You don’t need to shout. My hearing works just fine.” Are you a parent that has used that one on your kids? I’m not sure at what age they realize that the volume of their voice doesn’t correlate to the likelihood of receiving a favorable reply — it might be sometime in the teenage years, when the talking slows down altogether.

But I’ve got to admit, it would be nice if God always gave us a loud and dramatic sign when He wanted something — the booming voice and the torn-open heavens (“This is my beloved Son!”) really get the message across. Sometimes I find myself envious of the Apostles, who were able to witness such things in person.

The fact of the matter is, in the year 2021, God is more likely to speak in a whisper than in a shout. The prophet Isaiah forewarns that Christ himself will not be a noisemaker — for all his preaching, he will not cry out or shout to bring forth justice to the nations. His way is altogether different than that.

We are not the Apostles, and we do not have the privilege of seeing the Holy Spirit descend on Christ like a dove. But here’s the good news: God doesn’t need to shout. Our spiritual hearing works just fine. We just have to be listening.

Let’s wake up each morning ready to hear God’s whispers throughout the day. Let’s make a conscious effort to invite those whispers into our hearts, where they can become a catalyst for grace in this world.

Christmas 2020

Dear Friends,

In the words of St. John Vianney, "The priest is not a priest for himself; he does not give himself absolution; he does not administer the Sacraments to himself. He is not for himself, he is for you ... The priesthood is the love of the Heart of Jesus." Every day of a priest's adult life is a gift of humble devotion and service to us, whose spiritual lives he is entrusted to nurture and care for in doing the work of God's hands.

The Diocese of Little Rock has 18 retired priests who receive monthly benefits from the Clergy Welfare Fund and those who are still able continue their lives of service in prayer, hearing confessions, and even substituting in parishes for pastors absent due to vacation or illness. Most of our priests work well into their 70's and beyond, caring for the spiritual life and welfare of their people, and there are many nearing retirement. They have given us the gift of their hearts and their lives of service and dedication; let us give them the gift of assurance that their retirement days are spent with dignity and care.

The Christmas Collection in the Diocese of Little Rock is the primary source of income for the Clergy Welfare Fund. Your support will help us continue to provide benefits for our retired priests, and build the fund to meet our future obligations.

I appeal to you to join me in supporting this special collection taken at all Christmas masses. Please continue to pray for an increase in vocations to the priesthood in our Diocese, and for happy and healthy retirement for those who have served us so well throughout the years. Pray also for those priests in active ministry who deserve our support, encouragement, and care.

I pray daily for you and your loved ones! May you receive the peace and joy of Christ this Christmas season and every day of the coming year.

Sincerely In Christ,

+Anthony B. Taylor

To all doctors, nurses, administrators, support staff and other co-workers in Catholic health care:

As we approach the Thanksgiving holiday during a time of pandemic, I thank God for many things—for God's loving presence, for the gift of faith, for family and friends (even though we can't be physically together now). I also thank God right now for the gift of life and health. Especially as COVID-19 continues to increase in our country and in much of the world, we have a reminder of how important our physical health is.

This pandemic has been a challenging time for all of society. Whether someone has been infected, cared for someone who has been infected, or simply experienced changes of life because of the measures needed to combat it, no one has been exempt.

Above all, though, I know that COVID-19 has affected you as healthcare workers. You stand on the front lines, often putting yourselves at risk in order to serve your patients. Your generosity of heart and zeal for your ministry give life to many, especially right now.

As the Bishop of Little Rock, I thank God for the great work undertaken by Catholic healthcare ministries in Arkansas, ministries that can only exist because of people like you. Your daily work is an extension of the healing ministry of Jesus. Like the ministry of Jesus, your work is loving, sacrificial, and life-giving. Just as the ministry of Jesus did, your work gives hope and strength to all it touches—and to society as a whole!

I know these are trying times for you. You want to help and heal, even as you know there is still much to be done in combating COVID-19. I encourage you to persevere, and I pray for your resilience and strength as you confront the challenges that lie ahead. We may celebrate Thanksgiving differently this year than in other years, but our need to be grateful is even stronger than ever.

So, thank you! And be assured of my prayers for you now and throughout these challenging times.

Sincerely in Christ,

+Anthony B. Taylor

Statement on the “REPORT ON THE HOLY SEE’S INSTITUTIONAL KNOWLEDGE AND DECISION-MAKING RELATED TO FORMER CARDINAL THEODORE EDGAR MCCARRICK (1930 TO 2017)” issued November 10, 2020

I am grateful to Pope Francis for his commitment to bringing healing to the victims of clergy sexual abuse and to preventing such cases from being mishandled in the future, regardless of the prominence of the accused perpetrator. Yesterday we received concrete proof of his commitment to transparency and to bringing the light of truth to bear on this darkest of evils that has, in the case of ex-Cardinal Theodore McCarrick, reached even the highest echelons of the hierarchy in the Church. This 449 page report chronicles not only the horror of McCarrick’s abuse of minors and young adults, but also the mishandling of allegations by even by such saintly persons as Pope John Paul II and Pope Benedict XVI and those that advised them, albeit due in part to having received faulty information from several now deceased New Jersey bishops and the failure of Archbishop Carlo Maria Viganò to investigate when told to do so while working in the Secretariat of State in the Vatican and later mishandling the case when he was papal nuncio to the United States.

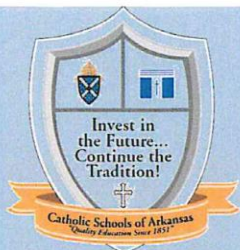

When in 2017 Pope Francis first became aware of a concrete allegation against then Cardinal McCarrick, he ordered a canonical trial of McCarrick which in February 2019 resulted in the penalty of dismissal from the clerical state. Pope Francis also ordered the investigation, the results of which were released yesterday, of how such a person as Mr. McCarrick could have risen to the highest ranks within the Church, including who had a hand in covering up misdeeds of which they had knowledge and why allegations received previously were not taken seriously. In May of 2019 Pope Francis also promulgated “*Vos Estis Lux Mundi*”, a papal decree which introduced sweeping changes in order to hold bishops accountable for sexual abuse or covering up, making reporting obligatory for clerics and allowing anyone to complain directly to the Vatican if needed. To report an incident of sexual abuse and related misconduct by a Catholic bishop, contact the Catholic Bishop Abuse Reporting Service at ReportBishopAbuse.org or call 800/276-1562.

The Diocese of Little Rock continues its commitment to keeping children safe. Anyone who has been abused sexually by a priest or representative of the Church is encouraged to contact first the Arkansas Child Abuse Hotline at 800/482-5964; and to contact Deacon Matthew Glover at 501/664-0340 ext. 361, or Laura Gottspomer, our Victims Assistance coordinator at 501/664-0340 ext. 425.

We remain united in our pain and our support for all victims of sexual abuse and pray for healing and reconciliation within our Church.

Sincerely in Christ,

ARKANSAS CATHOLIC SCHOOLS SCHOLARSHIP APPEAL

November 14, 2020

Dear Parishioners,

Sadly, there are Catholic schools throughout the country closing due to the financial impact of the COVID-19 pandemic. You can help prevent this from happening in Arkansas through your gift to the Arkansas Catholic Schools Scholarship Appeal. Our Catholic schools are facing a combination of financial challenges: decreased subsidy from parishes, cancelled fundraising events, decreased enrollment, and a greater need for financial assistance for families negatively affected by the pandemic.

The Arkansas Catholic Schools Scholarship Appeal is held annually to give tuition assistance to families with a demonstrated need. Catholic schools throughout the state submit applications on behalf of these families. Last year funds from the appeal provided tuition support to 54 students attending Arkansas Catholic schools with awards ranging from \$500 to \$1,000 per family.

Families who qualify are granted assistance through Parish subsidies, school fundraising, foundations, and individual donors. However, even with this financial support, a need still exists for more tuition aid. This year our calculated need is \$465,000. Please help us by donating to the Arkansas Catholic Schools Scholarship Appeal. Every dollar received from donations will be used to aid those in need of financial assistance.

Catholic schools are an integral part of the teaching mission of the Church because they assist parents in the important obligation of educating and forming their children through faith development. This year our schools have responded beautifully finding creative and practical solutions to challenges related to safety and virtual learning. They continue to provide a rigorous education, rooted in the Gospel, and rich in the cherished traditions and liturgical practices of our faith. Even in the midst of a pandemic, our schools are ensuring that students will have the foundation to live a moral and upright life to face the challenges brought by changes in the world today.

Thank you for your support of the Arkansas Catholic Schools Scholarship fund. Please keep our schools in your prayers.

Sincerely In Christ,

Most Reverend Anthony B. Taylor
Bishop of Little Rock

Arkansas Catholic Schools Scholarship Appeal

A Catholic education is a gift that serves the child, their family, and the community throughout their lifetime and beyond. The cost of tuition is a challenge to hundreds of our families who desire a Catholic education for their child. Parish subsidies, school fundraising, and foundations provide funds for financial assistance, but not enough.

All funds raised through this appeal go directly to an Arkansas Catholic school to provide tuition assistance to a family with a demonstrated financial need. Your gift will help keep these children in our Catholic schools. Please be generous, and remember our Catholic schools in your prayers.

“Educating is an act of love; it is like giving life.”

Clarification regarding Pope Francis' statement about Civil Unions

The major theme of Pope Francis' apostolic ministry has been to call the Church to reach out with mercy to those on the margins. This is the mercy of coming close to Jesus. Mercy is the lens through which Pope Francis calls us to view and respond to situations of poverty, migration, racial and income inequality, the environment and people affected by unjust discrimination—among whom are homosexuals, who have been marginalized throughout history. We can debate points of theology but debates seldom change hearts and usually lead to both parties clinging all the more tenaciously to the truth as they understand it. Mercy as a concept separate from Jesus can end up being simply license, but when we truly try listen to the other with a heart conformed to that of Jesus, we begin to look for ways to remedy situations that disadvantage those on the margin.

I believe that is why, without changing any of the teaching of the Church about the immorality of homosexual acts, Pope Francis has tried to find ways to reassure homosexuals that God loves them, that they have a place in the life of the Church and that we have an obligation to remove all the disadvantages that they suffer unjustly. One of these injustices is the fact that in most societies the legal union of civil marriage conveys tangential benefits to incentivize marriage that are not intrinsically connected to marriage itself, and are denied to those who are not in a legal union. That is the background for Pope Francis' statement about civil unions in the documentary "Francesco" which premiered in the Rome Film Festival on October 21, 2020. I note that comments in an interview like this can be insightful but are not meant to articulate doctrine. Here is what he said:

"Homosexual people have the right to be in a family. They are children of God. You can't kick someone out of a family nor make their life miserable for this. What we have to have is a civil union law; that way people are legally covered."

That's his concern. Civil unions of homosexuals would grant most of the tangential benefits of marriage without being a true marriage, which is of course impossible for a homosexual union, and thus a misnomer, even though U.S. law describes it as marriage. The Catechism of the Catholic Church teaches that marriage by its very nature is "ordered to the good of the couple, as well as to the generation and education of children." (CCC 1660) One look at our bodies reveals that both the procreation of children and the complete unitive act of intercourse requires physical complementarity, which are not present in a same-sex union. However, a stable bond between persons of the same sex has the possibility of offering some good for those persons, especially when that bond is chaste in nature. Notice that this union is civil, solely for the purpose of ensuring civil benefits. It has no status in Church law. Some of the tangential civil benefits of marriage that could be made available to homosexuals in a civil union are: health insurance benefits, surviving partner inheritance benefits, joint tax return benefits, medical decision-making, hospital visitation rights, funeral decision-making and tax free transfer of property.

This statement regarding civil unions is one small expression of a much broader vision of inclusion that Pope Francis has proclaimed throughout his papacy.

On Lifting the Suspension of the Sunday Mass Obligation, effective October 1, 2020

To the people of the Diocese of Little Rock,

The Eucharist is the source and summit of the Christian life, and our Sunday communal celebration of the Eucharist is a central and non-negotiable part of who we are as Catholics. However, in view of the threat posed by the COVID-19 pandemic, effective March 12, 2020 I dispensed everyone in the Diocese of Little Rock temporarily from the obligation to attend Sunday Mass in person, with the stipulation that everyone keep holy the Lord's Day in other ways, for instance through participation in Mass transmitted over the internet, through Eucharistic Adoration or other time spent in prayer, for instance a family rosary. And then effective the weekend of March 21-22, in view of the increasing danger and following the advice of our governor, the public celebration of Mass was suspended for the entire state of Arkansas, with the exception of small, self-contained groups at the discretion of the priest. This was consistent with the steps taken in dioceses throughout the world and lasted for 6 weeks.

On May 4, 2020—once we had a clearer idea of the steps to be taken to prevent the spread of the coronavirus at Mass—I authorized the resumption of the public celebration of Mass on a limited basis with the stipulation that all participants be required to wear masks the entire time they are in the Church, that the space occupied not exceed 25% occupancy, that 6' of physical separation be maintained between family groups and individuals, plus other steps be taken to ensure the safety of the participants, including the sanitizing of hands and surfaces, the temporary removal of hymn books and the temporary suspension of the ministry of choirs and altar servers. The progressive re-opening of our Churches continued throughout the summer and as of June 15, 2020 we were able to authorize up to 66% occupancy in Churches where that was possible while still maintaining the required use of masks and 6' physical distancing. During this time the dispensation from the obligation of Sunday Mass attendance continued.

Today I am happy to announce that our anti-COVID protocols have been effective in preventing the spread of the disease at Mass. We are not aware of even a single case of transmission linked to participation in worship in any Catholic Church in Arkansas—or for that matter, not any other Catholic Church in the United States where these protocols were in place. **Therefore, we are now in a position to lift the dispensation from the obligation of in-person Sunday Mass attendance for everyone who is in good health and not especially vulnerable or caring for someone who is especially vulnerable—effective October 1, 2020. The celebration of the Eucharist is at the center of our relationship with Jesus, whose true body and blood, soul and divinity we receive in this sacrament—the greatest treasure in our lives. Of course if a person feels ill, or has been exposed to COVID-19 and is in quarantine, or is otherwise especially vulnerable, for instance due to chronic illness or the frailty of old age, they remain dispensed—but still have the obligation to otherwise keep the Lord's Day holy.**

In the event that due to the ongoing requirement of physical distancing, the number of people seeking to attend Mass exceeds the capacity of the Church building and any overflow areas provided, any who are turned away have fulfilled their obligation before the Lord by the mere fact of having attempted to come to Mass, so long as they then participate in Mass via the internet, or observe some other way of keeping holy the Lord's Day, for instance through a family rosary or time spent in Eucharistic Adoration.

Sincerely in Christ,

+Anthony B. Taylor

Clarification and Reminder 9/29/20
Feast of the Archangels Michael, Gabriel and Raphael

To the people of the Diocese of Little Rock,

As we prepare to lift the suspension of the obligation of Sunday Mass attendance for those who are in good health, not especially vulnerable and not caring for someone who is especially vulnerable, the following clarification and reminder is in order.

Clarification: if you are in a risk group identified by the CDC or—after serious prayer and deliberation—remain very fearful otherwise, you can consider yourself still dispensed. Older adults and persons with certain medical conditions, including asthma and diabetes, have been identified by the CDC as being at greater risk. When dealing with fear or otherwise in doubt, feel free to consult with your pastor regarding your specific situation.

Protocols: all of the measures we have taken for protecting our people at Mass not only remain in place, they should be more strictly observed due to the larger number of people who will be attending Mass. In addition to mask wearing the entire time you are inside the Church, 6' physical distancing and hand sanitizing upon entry into the Church, the following (about which questions have been asked) should also continue to be observed:

Communion on the hand. You receive on the hand with the mask still on, step aside, lower the mask, place the host in your mouth, raise the mask and return to your place. There is no Communion on the tongue except during the Latin Mass. Those desiring to receive on the tongue should wait until the congregation has left, and then receive communion from the tabernacle, the priest or deacon sanitizing his hands before and after.

Dismissal: People should be dismissed row by row from the back of the Church to the front and instructed to go directly to their cars. People should not be allowed to congregate in the vestibule or immediately outside the Church following Mass.

The Eucharist is the greatest treasure the Lord has left us and it is my hope that increased participation will draw us closer to the Lord at this difficult time and provide us the spiritual nourishment we need amid the challenges we face. May the Archangels Michael, Gabriel and Raphael protect us as we move forward in our journey of faith.

Sincerely in Christ,

+Anthony B. Taylor

Do you love to sing?
Do you love to make music for the Lord?
IS GOD CALLING YOU TO MUSIC MINISTRY?

Adult Choir—The Adult Choir meets every Thursday at 6:30pm and sings at the Sunday 8:30am Mass and other Holy Days of Obligation.

Youth Choir—The Youth Choir consists of students in grades K-12. Rehearsals are Wednesday evenings at 7:30pm immediately following PREP class. They sing at the scheduled Youth Masses throughout the academic year. Hand chimes and other instruments are used, as well.

Hand Bell Choir—The Hand Bell Choir meets on Tuesday evenings at 6PM and plays at approximately 7 Masses throughout the year.

Silver Bells—Silver Bells is a group, specifically for the senior members of our parish. Opportunities for food, fellowship, and fun are guaranteed!

What does Music Ministry mean to me?

"Singing in church has been an important part of my life for as long as I can remember. It was such a natural routine for me that I would feel as if I had not participated in Mass if no singing was involved. Music ministry continues to be a meaningful part of my life even as a senior member of the parish. It is only through God's blessings that I continue in this ministry and gain a greater connection to my fellow choir members and our church congregation. I would strongly encourage others who appreciate music during church services to seriously consider giving music ministry a try."—Kevin Cheri (Adult Choir member)

"I like singing in the church choir because it lets me glorify God in a way that I enjoy. I also like the choir because it makes me feel peaceful especially when I am singing about God."—Eliana & Charlize Adamos (Youth Choir members)

"I have been a part of this amazing handbell group since it started three years ago. Even though I do have a music background, I find playing handbells challenging. Instead of playing all the notes in a song, each bell is a part of the whole that makes the music. I am thankful that I have been able to use my talents to bring more to our Mass celebration. Being a part of our music ministry has been a blessing to me."—Bonnie Tauer (Hand Bell Choir member)

"These bells make our old souls sing!"—Silver Bells members

MAJOR CHANGES TO SAFE ENVIRONMENT PROGRAM!!!

**In the Diocese of Little Rock,
Beginning July 1, 2017:**

WHO must do safe environment training and background checks:

1) Employees

2) Volunteers with Routine Contact w/ Minors

- a. This includes only volunteers who have routine contact with minors as an essential part of their volunteer duties.
- b. Volunteers who do not have routine contact with minors as an essential part of their duties do not have to do safe environment training or background checks.

WHAT training programs:

“CMG Connect” → online training for **adults**
(<http://www.dolr.org/safe-environment>)
(or directly at: <https://littlerock.CMGconnect.org>)

“Circle of Grace” → in-classroom training for **children/youth**

We will no longer use VIRTUS’s “Protecting God’s Children” or “Touching Safety.”
Instead, we will use products supported by **Catholic Mutual Group (CMG)**.

All data from VIRTUS will be moved over to CMG Connect. No one who has already done safe environment training and a background check will have to re-do anything at this time. Users who are due for a 5-year recertification will be notified how to do that by their parish/school safe environment coordinator, who will also have info on both new programs.
