MASKS ARE OPTIONAL IN CHURCH!

BISHOP TAYLOR ANNOUNCED EFFECTIVE MAY 15-16, 2021, MASK WEARING IS OPTIONAL. His letter of May 9 stated: I believe that due to the universal availability of the vaccine, we can now make mask-wearing optional, effective May 15-16. In addition, Communion on the tongue during Mass is now allowed. I do recommend, but do not require, continued mask-wearing for those who are not yet fully vaccinated or who are otherwise especially vulnerable.

People who have questions about obligation to attend Mass, please see Father Jim or Deacon Mark.

Vatican International Exhibition of the Eucharistic Miracles of the World – The Real Presence of Jesus Christ in the Holy Eucharist is the most sublime treasure of our Catholic Faith. It is the manifestation *par excellence* of his promise, "I am with you always, to the close of the age" (Mt 28:20) Evidence of His abiding presence among us is beautifully chronicled in an edifying collection of 160 panels featuring photographs, narrative and maps. They depict 126 different Vatican-approved miracles occurring in 17 countries over a span of nearly 1,300 years. **St. Peter the Fisherman in Mountain Home is pleased to host this exhibition Sunday, October 17 through Saturday, October 31, in the Parish Hall Life Center. Monday-Friday: 8 AM-6 PM; Saturdays: 2-6 PM; and Sundays 8 AM-2 PM.** Experience for yourself the way these miracles have inspired countless Catholics over the centuries and deepened their love for the Eucharist. This is an informal, self-guided exhibit you may visit as often as you wish before or after weekend Mass or the hours above during the week. We hope you avail yourself of this unique opportunity and invite family and friends to do the same.

St. Peter the Fisherman Church's Knights of Columbus are sponsoring The Silver Rose prayer service in Honor of Life and Our Lady of Guadalupe. Everyone is invited on **Tuesday, November 2, at 11:15 AM** to pray for a civilization of love and culture of life in our own country and throughout the world.

The journey of the Silver Rose begins each year in March and ends on December 12, the Feast of Our Lady of Guadalupe. During that time, Silver Roses travel from town to town along eight routes throughout North America. Several of the routes begin in Canada and end in Mexico. One route ends in Washington, DC; another ends at St. Mary's Church in New Haven, CT, where the Knights of Columbus was founded.

"Through the Silver Rose Program, we honor not only Our Lady of Guadalupe and express the unity of the Knights of Columbus, but we also reaffirm the Order's dedication to the sanctity of human life. It is to the Blessed Mother that we turn in prayer as we work to end the Culture of Death that grips our society. As we think in terms of 'One Life, One Rose', it is most appropriate that we turn to Our Lady of Guadalupe who made known her will through Juan Diego and the miracle of the roses." (2001, Carl Anderson, Supreme Knight)

MARK YOUR CALENDARS!!! – John Michael Talbot will be at MMG on **Sunday, Dec. 12 @ 2 PM**. No tickets required; a free-will offering for JMT Ministries will be appreciated. The Knights of Columbus will be serving a meal following the concert. More information will be provided next month.

Communion & Mortal Sin

Question: I have a friend who receives communion, but who I know for a fact is in a state of mortal sin. Should I tell our priest? Is it my responsibility to say something?

Answer: While we may always want to do what is best for our friends and family members, we have a responsibility to respect their privacy and their conscience. In its reflections on the Eighth Commandment ("You shall not bear false witness against your neighbor"), the Catechism of the Catholic Church states, "Respect for the reputation of persons forbids every attitude and word likely to cause them unjust injury. [One] becomes guilty: -of rash judgment who, even tacitly, assumes as true, without sufficient foundation, the moral fault of a neighbor; -of detraction who, without objectively valid reason, discloses another's faults and failings to persons who do not know them; of calumny who, by remarks contrary to the truth, harms the reputation of others and gives occasion for false judgments concerning them" (no. 2477).

We will never truly know what is in a person's mind, heart, and soul; only God knows those things. We should, of course, take our concerns to God and entrust the person about whom we are concerned to God's grace and mercy. If we have concerns about the spiritual wellbeing of someone with whom we are close, we should go to the person themselves and talk about our fears and concerns. Unless it is a case of abuse or endangerment (which we have a moral and even legal responsibility to report to the appropriate authorities), we ultimately do not have the freedom to share another's persons faults or sins, however good we think our intentions might be.

St. Joseph

Faithful Protector of Mother and Child

The infant Christ “came into our world in a state of great vulnerability. He needed to be defended, protected, cared for and raised by Joseph” (PC 5). The humble and often hidden carpenter of Nazareth accompanied Mary in her pregnancy, assisted at the birth of the Messiah in a stable, presented Jesus in the Temple, fled with his family far from their homeland to protect them, and lovingly raised Jesus as his own son in the years to come.

While the angel of the Lord appeared to Mary to announce that she would bring forth the Savior of the world, it was revealed to Joseph in a series of dreams how God’s plans would be brought to fulfillment. As Pope Francis highlights, “God trusted Joseph, as did Mary, who found in him someone who would not only save her life, but would always provide for her and her child” (PC 5).

Dear St. Joseph,
help us to
imitate your
faithful trust and
courage.

Like every other human family, the Holy Family had to confront real and concrete challenges. Yet, “in every situation, Joseph declared his own ‘fiat’” (PC 3). His “yes” to the Lord meant that regardless of the hardship and personal sacrifice to himself, he consistently chose to put the needs of Mary and Jesus before his own. Joseph’s devotion helps reveal to us our own call to show special care for the lives of those whom God has entrusted to us.

During this Year of St. Joseph, each of us can find in him “an intercessor, a support and a guide in times of trouble” (PC, Intro). Joseph shows us how to say “yes” to life, despite our own fears, frailties, and weaknesses. For it is Joseph who was “chosen by God to guide the beginnings of the history of redemption. He was the true ‘miracle’ by which God saves the child and his mother” (PC 5).

May we, too, be miracles in the lives of those who are most in need, especially at the beginning and end of life. Dear St. Joseph, you who were “able to turn a problem into a possibility by trusting always in divine providence” (PC 5), help us to imitate your faithful trust and courage.

LISTEN THE INNOCENCE OF FATHER BROWN AUDIO BOOK BY G.K. CHESTERTON

One of the most memorable sleuths in the canon of detective fiction has to be Father Brown, the small priest with "a face as round and dull as a Norfolk dumpling", but who nevertheless outwits the greatest criminal minds with his wisdom regarding human nature. DIOCESE OF LITTLE ROCK

2500 North Tyler Street • P.O. Box 7565 • Little Rock, Arkansas 72217 • (501) 664-0340 Fax (501) 664-6304

July 26, 2021

To the people of the Diocese of Little Rock,

I have recently been asked whether the Diocese of Little Rock should re-impose restrictions such as mandatory mask-wearing, physical distancing and disinfection of surfaces in response to the recent surge in COVID-19 cases in Arkansas, 85% of which involve the highly infectious Delta variant. It has been suggested that since only 40% of Arkansans have been vaccinated, we need to do something to protect the other 60%, many of whom could be vaccinated but refuse.

It is important to note that with the universal availability of effective vaccines, the present threat is much different from that which occasioned the restrictions when COVID-19 first became a threat. Now, other than people with a medical condition that disqualifies them, anyone above age 12 can readily be vaccinated at no cost to themselves. As for those below age 12, for whatever reason, there have been very few serious cases involving younger children who may have some degree of natural immunity. The vaccine is effective in preventing most infections, even of the Delta variant, and vaccinated people who do become ill generally experience a much milder case than otherwise. Moreover, the vaccines are the best way to minimize the degree to which the virus can keep mutating. The vaccine's connection with abortion-derived fetal cell lines is very remote and our cooperation with such acts via receiving the vaccine is passive (no active cooperation) and so the Vatican has declared their use "morally acceptable" given the grave danger of the pandemic. Therefore, everyone who can be vaccinated has been repeatedly and strongly encouraged to do so—not only by me, but also even by Pope Francis—and so in the end, those who fail to do so have to be willing to accept the consequences of their decision. Diocesan policy will not be dictated by those who despite strong and clear encouragement, refuse to take the necessary steps to protect themselves and others. So for now, the only restriction that remains in place diocesan-wide is that the Precious Blood will continue not to be distributed to the faithful at Mass.

Having said that, given the principle of subsidiarity, individual parishes are free to take steps to address the threat locally. This could include making mask-wearing mandatory at one of their Masses, or setting aside one section of the nave for physical distancing and the exclusive use of mask-wearing participants.

Sincerely in Christ,

Office of the Bishop

To the people of the Diocese of Little Rock,

In view of the publication today of the Apostolic Letter "*Traditionis Custodes*" issued by Pope Francis in which he revokes, effective immediately, permissions regarding the use of the Roman Liturgy in place prior to the reform of 1970—the *Vetus Ordo* Mass (i.e., the Traditional Latin Mass, hereafter called the Latin Mass) granted by Pope Benedict XVI in his Apostolic Letter "*Summorum Pontificium*," it is incumbent on me as your bishop to indicate the implications of this change for our diocese.

Let me state clearly from the outset that the restrictions on the use of the Latin Mass imposed by *Traditionis Custodes* do not apply to our two personal parishes for the celebration of the Latin Mass: St. John the Baptist parish in Cabot and Our Lady of Sorrows parish in Springdale. There is no change for these parishes or the priests serving them. All that is required of them and the Fraternity of St. Peter (FSSP) priests serving them is that they accept the validity and legitimacy of the liturgical reform of Vatican II, which they do. *Traditionis Custodes* does caution me not to establish any additional personal parishes for the celebration of the Latin Mass going forward.

To understand the reason for *Traditionis Custodes* and the need to revoke the provisions of *Summorum Pontificium*, it is important to realize that *Summorum Pontificium* sought to foster the healing of the schism of Archbishop Lefebvre and others who rejected not only the liturgical reforms of Vatican II but indeed often the Council itself. As it turned out, not only did *Summorum Pontificium* not achieve that purpose, the unintended result in many places was to create further division within parishes and among priests. *Traditionis Custodes* is the result of consultation among bishops in 2020 and seeks to foster unity by removing this source of division in our parishes. The main impact locally will be:

1) *Traditionis Custodes* (Art. 3, no. 2) indicates that the Latin Mass is not to be celebrated in regular parish Churches and so will no longer be celebrated in El Dorado, Mountain Home or Cherokee Village. I am to designate locations where the Latin Mass can be celebrated, and these are the personal parishes of St. John the Baptist in Cabot and Our Lady of Sorrows in Springdale.

2) *Traditionis Custodes* (Art. 5) indicates that priests who already celebrate the Latin Mass must request permission from the bishop to continue to enjoy this faculty. Here, for non-FSSP priests, that would be exclusively for the private celebration of the Latin Mass since the public celebration of the Latin Mass in Arkansas is to occur only in the two personal parishes entrusted to the FSSP.

The *Novus Ordo* Mass is to be celebrated according to the rubrics provided for that Mass. The *Novus Ordo* Mass can be celebrated by any priest in any language, including Latin and Latin service music can always be used, but elements of the Traditional Latin Mass are not to be grafted onto the *Novus Ordo* Mass, regardless of whether it is celebrated in Latin or the vernacular.

Sincerely in Christ,

+Anthony B. Taylor

To the people of the Diocese of Little Rock,

With the spike in COVID infections and the presence of the Delta variant in Arkansas, a question has arisen whether we should re-impose restrictions to protect those who have not been vaccinated. The answer is generally NO, though the principle of subsidiarity would allow for this in isolated instances.

The reason not to re-impose restrictions is that the vaccine is universally available and highly effective against the disease. We have been very insistent in emphasizing that all who can receive the vaccine should do so, not only to protect themselves but also to protect the small number of people who due to a compromised immune system or other factors are not able to receive the vaccine. The failure to be vaccinated when one can is therefore a threat to the common good, which all Catholics have a duty to uphold. Since the vaccine is readily available and effective, there is no reason for the Church to re-impose restrictions, and those who could get vaccinated when they have the opportunity to do so, but don't and contract the disease as a consequence of their failure to get vaccinated have only themselves to blame. Moreover, those who are eligible but who fail to get vaccinated could also jeopardize the health and wellbeing of those who are currently ineligible or unable to be vaccinated—which is all the more reason to get vaccinated.

Of course, if the situation changes or evolves with respect to variants, vaccine efficacy or directives from the Governor of the State of Arkansas, the Diocese is certainly open to reassessing the approach we need to take.

Please remember that the dispensation from the Sunday Mass obligation ended last October 1 for those who are in good health and not especially vulnerable or caring for someone who is especially vulnerable. As was announced at that time, if you are in a risk group identified by the CDC or—after serious prayer and deliberation—remain very fearful otherwise, you can consider yourself still dispensed. If you are in doubt, feel free to consult with your pastor regarding your specific situation.

Sincerely in Christ,

To the people of the Diocese of Little Rock,

Now that most Arkansans over the age of 16 have access to a coronavirus vaccination, I have sought the advice of the Presbyteral Council and the Diocesan Pastoral Council regarding next steps, and so today I am pleased to promulgate two things. First a further loosening of the anti-COVID 19 protocols that for over a year have prevented an outbreak of disease in any of our parishes and second, I would like to invite everyone to come to the Barton Coliseum for the ordination of 5 new priests for the Diocese of Little Rock at 10:00 am, Saturday May 29. This will be a special time to thank the Lord for bringing us through this pandemic so far and for providing us these new priests as we look to the future.

I believe that due to the universal availability of the vaccine, we can now make mask-wearing optional, effective next weekend, May 15-16. This gives vaccine-hesitant people one more week to at least get their first shot. In addition, Communion on the tongue during Mass is now allowed. I do recommend, but do not require, continued mask-wearing for those who are not yet fully vaccinated or who are otherwise especially vulnerable.

Also, I encourage all Arkansas Catholics to come to the ordinations at the Barton Coliseum on May 29. This will be an unforgettable experience! The Barton Coliseum holds 10,000 people, so there will be plenty of room for people to spread out.

Sincerely in Christ,

Office of the Bishop

To the people of the Diocese of Little Rock,

Thanks to your cooperation with the protocols we have had in place to mitigate the danger of the COVID-19 pandemic and the increasing number of people who have been vaccinated, we are now in a position to make a few modifications in the protocols to be observed effective April 1, 2021. We expect to be able to return to pre-pandemic conditions once everyone who wants to get a vaccination is able to get one.

Physical distancing—It is no longer necessary skip every other pew throughout the Church, but people should maintain 6' lateral distancing between family groups.

Mask wearing—Even though mask wearing requirements have been loosened by public authorities in other settings, gatherings for Catholic worship have their own dynamics and so mask wearing will continue to be obligatory for everyone at least until May 12, when we will reassess this requirement in the light of the situation then current. Masks can be removed by lectors when reading and priests at the altar but it is preferred that masks stay on even then.

Music—Continues to be restricted to a cantor and musician at least 12' from the congregation. Choirs can be permitted only when all members have been vaccinated and preferably wearing masks. Congregational singing should be masked and kept to a minimum. The parts of the Mass which are normally sung should be recited when possible.

Holy Water—Can be restored to the Holy Water fonts, possibly beginning with the Easter Vigil if this has not been done so earlier.

Communion on the hand continues to be mandatory during Mass and only in the form of the consecrated host, even when celebrating First Communion. In this extraordinary time of pandemic, communion on the tongue will remain available only after Mass, administered from the tabernacle with hand sanitizing whenever the minister's finger touches the tongue of a recipient. We will reassess the need for this restriction on or before May 12.

Entrance and Exit processions—Parishes can resume processions from the entrance of the Church, including altar servers, instead of entering from the sacristy in places where this has been done but should maintain physical distancing before and after Mass if greeting people.

Offertory procession—Can resume and collection baskets can once again be used.

Altar Servers—Can resume, but they must be masked and maintain physical distancing.

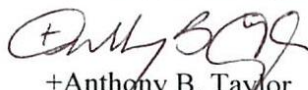

Cry Rooms—Can be used only if 6' distancing between family groups can be maintained.

Adoration Chapels—Can be used if 6' physical distancing can be maintained between adorers.

Communion to the Sick in their homes—unless the minister is a family member or caretaker, the Communion Minister must be fully vaccinated against the COVID-19 corona virus.

I would like to thank you, the Catholics of Arkansas, for how cooperative you have been with the protocols we have had to adopt in order to respond appropriately to the threat posed by the corona virus. We will continue to monitor the prevailing conditions in the community and in our Churches and will continue to make common sense adjustments to our protocols—loosening them or reinforcing them—as changing circumstances seem to require.

Sincerely in Christ,

+Anthony B. Taylor

UPDATE FROM BISHOP TAYLOR

As the pandemic statistics are improving and more and more people have been vaccinated, the question has arisen regarding possible modifications in our protocols, so I thought I would bring you up to date on present thinking.

1. Earlier advice was given to use as Communion Ministers only those who are under 65 years of age and have no other health risks. This was to protect our older ministers, but was only a guideline and older Communion Ministers continued to function in a few places that had very few younger parishioners. Now that many of our parishioners have been vaccinated, older Communion Ministers and those with health risks can now resume this ministry once they themselves have been vaccinated.
2. Water can be restored to our Holy Water fonts, possibly starting with the Easter Vigil.
3. Sanitizing of hands should continue, but sanitizing of surfaces, pews, hymn books is no longer necessary.
4. Processions from the entrance to the Church instead of from the sacristy is now permitted, and masked altar servers are now permitted. Offertory processions are still not permitted. Greeting people after Mass is not recommended unless sufficient physical distancing can be maintained.
5. On the other hand, choirs are still not permitted and the sign of peace, which is optional, should not involve physical contact. Communion for the congregation is still only in the form of the Body of Christ and in concelebrated Masses all the priests receive by intinction except the last to receive, who drinks the remaining Precious Blood. Communion on the tongue is still not permitted during Mass, but may be received from the Tabernacle after Mass.

To the people of the Diocese of Little Rock,

The following statement of the United States Conference of Catholic Bishops addresses concerns that many have regarding the available COVID-19 vaccines:

“The approval of Johnson & Johnson’s COVID-19 vaccine for use in the United States again raises questions about the moral permissibility of using vaccines developed, tested, and/or produced with the help of abortion-derived cell lines.

“Pfizer and Moderna’s vaccines raised concerns because an abortion-derived cell line was used for testing them, but not in their production. The Johnson & Johnson vaccine, however, was developed, tested and is produced with abortion-derived cell lines raising additional moral concerns. The Congregation for the Doctrine of the Faith has judged that ‘when ethically irreproachable Covid-19 vaccines are not available ... it is morally acceptable to receive Covid-19 vaccines that have used cell lines from aborted fetuses in their research and production process.’ However, if one can choose among equally safe and effective COVID-19 vaccines, the vaccine with the least connection to abortion-derived cell lines should be chosen. Therefore, if one has the ability to choose a vaccine, Pfizer or Moderna’s vaccines should be chosen over Johnson & Johnson’s.

“While we should continue to insist that pharmaceutical companies stop using abortion-derived cell lines, given the world-wide suffering that this pandemic is causing, we affirm again that being vaccinated can be an act of charity that serves the common good.”

In practical terms, here in Arkansas we are not currently given a choice regarding which vaccine to receive—each place has only one option to offer. Therefore, unless this changes, Catholics here can—and, in the interest of the common good, should—receive whichever vaccine is offered, including the Johnson & Johnson vaccine. If for reasons of personal conscience any Catholic refuses a vaccine when it becomes available, that person has a moral obligation to do their utmost to avoid becoming a vehicle of transmission to others, especially the most vulnerable.

Sincerely in Christ,

+Anthony B. Taylor

To the people of the Diocese of Little Rock,

One of our most valuable vehicles for evangelization is our award-winning *Arkansas Catholic* newspaper. We are one of the smallest dioceses in the country to be blessed with a weekly local Catholic newspaper, which enables us to provide much information about our faith and the life of the Church in a timely way.

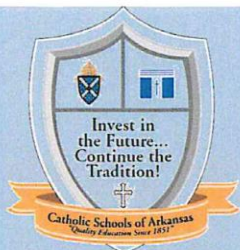

Pope Francis has called for a missionary transformation of the Church so last year we made a decision to make the digital version of *Arkansas Catholic* free for everyone in our diocese thanks in part to your support of the Catholic Arkansas Sharing Appeal. Hundreds of you have already signed up since we launched the free digital edition.

For those who enjoy a traditional newspaper mailed to your home, the print version is also available for only \$30 a year. In your pew today you will find subscription envelopes where you can subscribe to the print edition and find out how to sign up for your free digital account.

It is my hope that you and all members of your family will read and subscribe to *Arkansas Catholic* in whatever format you prefer. You will be connecting all of us as one family in Christ throughout our diocese.

ARKANSAS CATHOLIC SCHOOLS SCHOLARSHIP APPEAL

November 14, 2020

Dear Parishioners,

Sadly, there are Catholic schools throughout the country closing due to the financial impact of the COVID-19 pandemic. You can help prevent this from happening in Arkansas through your gift to the Arkansas Catholic Schools Scholarship Appeal. Our Catholic schools are facing a combination of financial challenges: decreased subsidy from parishes, cancelled fundraising events, decreased enrollment, and a greater need for financial assistance for families negatively affected by the pandemic.

The Arkansas Catholic Schools Scholarship Appeal is held annually to give tuition assistance to families with a demonstrated need. Catholic schools throughout the state submit applications on behalf of these families. Last year funds from the appeal provided tuition support to 54 students attending Arkansas Catholic schools with awards ranging from \$500 to \$1,000 per family.

Families who qualify are granted assistance through Parish subsidies, school fundraising, foundations, and individual donors. However, even with this financial support, a need still exists for more tuition aid. This year our calculated need is \$465,000. Please help us by donating to the Arkansas Catholic Schools Scholarship Appeal. Every dollar received from donations will be used to aid those in need of financial assistance.

Catholic schools are an integral part of the teaching mission of the Church because they assist parents in the important obligation of educating and forming their children through faith development. This year our schools have responded beautifully finding creative and practical solutions to challenges related to safety and virtual learning. They continue to provide a rigorous education, rooted in the Gospel, and rich in the cherished traditions and liturgical practices of our faith. Even in the midst of a pandemic, our schools are ensuring that students will have the foundation to live a moral and upright life to face the challenges brought by changes in the world today.

Thank you for your support of the Arkansas Catholic Schools Scholarship fund. Please keep our schools in your prayers.

Sincerely In Christ,

Most Reverend Anthony B. Taylor
Bishop of Little Rock

Arkansas Catholic Schools Scholarship Appeal

A Catholic education is a gift that serves the child, their family, and the community throughout their lifetime and beyond. The cost of tuition is a challenge to hundreds of our families who desire a Catholic education for their child. Parish subsidies, school fundraising, and foundations provide funds for financial assistance, but not enough.

All funds raised through this appeal go directly to an Arkansas Catholic school to provide tuition assistance to a family with a demonstrated financial need. Your gift will help keep these children in our Catholic schools. Please be generous, and remember our Catholic schools in your prayers.

“Educating is an act of love; it is like giving life.”

Pope Francis

On Lifting the Suspension of the Sunday Mass Obligation, effective October 1, 2020

To the people of the Diocese of Little Rock,

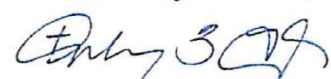

The Eucharist is the source and summit of the Christian life, and our Sunday communal celebration of the Eucharist is a central and non-negotiable part of who we are as Catholics. However, in view of the threat posed by the COVID-19 pandemic, effective March 12, 2020 I dispensed everyone in the Diocese of Little Rock temporarily from the obligation to attend Sunday Mass in person, with the stipulation that everyone keep holy the Lord's Day in other ways, for instance through participation in Mass transmitted over the internet, through Eucharistic Adoration or other time spent in prayer, for instance a family rosary. And then effective the weekend of March 21-22, in view of the increasing danger and following the advice of our governor, the public celebration of Mass was suspended for the entire state of Arkansas, with the exception of small, self-contained groups at the discretion of the priest. This was consistent with the steps taken in dioceses throughout the world and lasted for 6 weeks.

On May 4, 2020—once we had a clearer idea of the steps to be taken to prevent the spread of the coronavirus at Mass—I authorized the resumption of the public celebration of Mass on a limited basis with the stipulation that all participants be required to wear masks the entire time they are in the Church, that the space occupied not exceed 25% occupancy, that 6' of physical separation be maintained between family groups and individuals, plus other steps be taken to ensure the safety of the participants, including the sanitizing of hands and surfaces, the temporary removal of hymn books and the temporary suspension of the ministry of choirs and altar servers. The progressive re-opening of our Churches continued throughout the summer and as of June 15, 2020 we were able to authorize up to 66% occupancy in Churches where that was possible while still maintaining the required use of masks and 6' physical distancing. During this time the dispensation from the obligation of Sunday Mass attendance continued.

Today I am happy to announce that our anti-COVID protocols have been effective in preventing the spread of the disease at Mass. We are not aware of even a single case of transmission linked to participation in worship in any Catholic Church in Arkansas—or for that matter, not any other Catholic Church in the United States where these protocols were in place. **Therefore, we are now in a position to lift the dispensation from the obligation of in-person Sunday Mass attendance for everyone who is in good health and not especially vulnerable or caring for someone who is especially vulnerable—effective October 1, 2020. The celebration of the Eucharist is at the center of our relationship with Jesus, whose true body and blood, soul and divinity we receive in this sacrament—the greatest treasure in our lives. Of course if a person feels ill, or has been exposed to COVID-19 and is in quarantine, or is otherwise especially vulnerable, for instance due to chronic illness or the frailty of old age, they remain dispensed—but still have the obligation to otherwise keep the Lord's Day holy.**

In the event that due to the ongoing requirement of physical distancing, the number of people seeking to attend Mass exceeds the capacity of the Church building and any overflow areas provided, any who are turned away have fulfilled their obligation before the Lord by the mere fact of having attempted to come to Mass, so long as they then participate in Mass via the internet, or observe some other way of keeping holy the Lord's Day, for instance through a family rosary or time spent in Eucharistic Adoration.

Sincerely in Christ,

+Anthony B. Taylor

Clarification and Reminder 9/29/20
Feast of the Archangels Michael, Gabriel and Raphael

To the people of the Diocese of Little Rock,

As we prepare to lift the suspension of the obligation of Sunday Mass attendance for those who are in good health, not especially vulnerable and not caring for someone who is especially vulnerable, the following clarification and reminder is in order.

Clarification: if you are in a risk group identified by the CDC or—after serious prayer and deliberation—remain very fearful otherwise, you can consider yourself still dispensed. Older adults and persons with certain medical conditions, including asthma and diabetes, have been identified by the CDC as being at greater risk. When dealing with fear or otherwise in doubt, feel free to consult with your pastor regarding your specific situation.

Protocols: all of the measures we have taken for protecting our people at Mass not only remain in place, they should be more strictly observed due to the larger number of people who will be attending Mass. In addition to mask wearing the entire time you are inside the Church, 6' physical distancing and hand sanitizing upon entry into the Church, the following (about which questions have been asked) should also continue to be observed:

Communion on the hand. You receive on the hand with the mask still on, step aside, lower the mask, place the host in your mouth, raise the mask and return to your place. There is no Communion on the tongue except during the Latin Mass. Those desiring to receive on the tongue should wait until the congregation has left, and then receive communion from the tabernacle, the priest or deacon sanitizing his hands before and after.

Dismissal: People should be dismissed row by row from the back of the Church to the front and instructed to go directly to their cars. People should not be allowed to congregate in the vestibule or immediately outside the Church following Mass.

The Eucharist is the greatest treasure the Lord has left us and it is my hope that increased participation will draw us closer to the Lord at this difficult time and provide us the spiritual nourishment we need amid the challenges we face. May the Archangels Michael, Gabriel and Raphael protect us as we move forward in our journey of faith.

Sincerely in Christ,

+Anthony B. Taylor

Do you love to sing?
Do you love to make music for the Lord?
IS GOD CALLING YOU TO MUSIC MINISTRY?

Adult Choir—The Adult Choir meets every Thursday at 6:30pm and sings at the Sunday 8:30am Mass and other Holy Days of Obligation.

Youth Choir—The Youth Choir consists of students in grades K-12. Rehearsals are Wednesday evenings at 7:30pm immediately following PREP class. They sing at the scheduled Youth Masses throughout the academic year. Hand chimes and other instruments are used, as well.

Hand Bell Choir—The Hand Bell Choir meets on Tuesday evenings at 6PM and plays at approximately 7 Masses throughout the year.

Silver Bells—Silver Bells is a group, specifically for the senior members of our parish. Opportunities for food, fellowship, and fun are guaranteed!

What does Music Ministry mean to me?

"Singing in church has been an important part of my life for as long as I can remember. It was such a natural routine for me that I would feel as if I had not participated in Mass if no singing was involved. Music ministry continues to be a meaningful part of my life even as a senior member of the parish. It is only through God's blessings that I continue in this ministry and gain a greater connection to my fellow choir members and our church congregation. I would strongly encourage others who appreciate music during church services to seriously consider giving music ministry a try."—Kevin Cheri (Adult Choir member)

"I like singing in the church choir because it lets me glorify God in a way that I enjoy. I also like the choir because it makes me feel peaceful especially when I am singing about God."—Eliana & Charlize Adamos (Youth Choir members)

"I have been a part of this amazing handbell group since it started three years ago. Even though I do have a music background, I find playing handbells challenging. Instead of playing all the notes in a song, each bell is a part of the whole that makes the music. I am thankful that I have been able to use my talents to bring more to our Mass celebration. Being a part of our music ministry has been a blessing to me."—Bonnie Tauer (Hand Bell Choir member)

"These bells make our old souls sing!"—Silver Bells members

MAJOR CHANGES TO SAFE ENVIRONMENT PROGRAM!!!

**In the Diocese of Little Rock,
Beginning July 1, 2017:**

WHO must do safe environment training and background checks:

1) Employees

2) Volunteers with Routine Contact w/ Minors

- a. This includes only volunteers who have routine contact with minors as an essential part of their volunteer duties.
- b. Volunteers who do not have routine contact with minors as an essential part of their duties do not have to do safe environment training or background checks.

WHAT training programs:

“CMG Connect” → online training for **adults**
(<http://www.dolr.org/safe-environment>)
(or directly at: <https://littlerock.CMGconnect.org>)

“Circle of Grace” → in-classroom training for **children/youth**

We will no longer use VIRTUS’s “Protecting God’s Children” or “Touching Safety.”
Instead, we will use products supported by **Catholic Mutual Group (CMG)**.

All data from VIRTUS will be moved over to CMG Connect. No one who has already done safe environment training and a background check will have to re-do anything at this time. Users who are due for a 5-year recertification will be notified how to do that by their parish/school safe environment coordinator, who will also have info on both new programs.
