**The Diocesan Tribunal** - It is the mission of the Diocesan Tribunal to hear the cases of those who are divorced and who are petitioning the Church to make judgment on the possible invalidity of their marriage, due to some impediment, inadequate consent or the inability to fulfill the duties of the married state. The Tribunal makes every effort to carry out its pastoral ministry in this process.

Petitions for decrees of nullity may be obtained from recognized Diocesan Tribunal advocates. These persons are specially trained in this work. Please contact our local advocates, **Deacon Mark Scouten at 741-1579, or Teresa Rotkowski at 577-7018**, for more information and the paperwork to present a petition.

"If anyone is living in a marriage that has not been recognized by the Catholic Church, it would be wise to consult with a priest to see whether that situation might be rectified. It could be as simple as repeating your marriage vows quietly in front of a priest and receiving the Church's blessing. In that way, one would become eligible to receive the sacraments of the Church, especially the Eucharist." – *Arkansas Catholic*, Nov. 14, 2015, Father Ken Doyle **Contact Father Jim for more information.**

# MAJOR CHANGES TO SAFE ENVIRONMENT PROGRAM!!!

In the Diocese of Little Rock,  
Beginning July 1, 2017:

**WHO** must do safe environment training and background checks:

1) **Employees**

2) **Volunteers with Routine Contact w/ Minors**

- a. This includes only volunteers who have routine contact with minors as an essential part of their volunteer duties.
- b. Volunteers who do not have routine contact with minors as an essential part of their duties do not have to do safe environment training or background checks.

**WHAT** training programs:

**“CMG Connect”** → online training for **adults**

(<http://www.dolr.org/safe-environment>)

(or directly at: <https://littlerock.CMGconnect.org>)

**“Circle of Grace”** → in-classroom training for **children/youth**

We will no longer use VIRTUS’s “Protecting God’s Children” or “Touching Safety.” Instead, we will use products supported by **Catholic Mutual Group (CMG)**.

All data from VIRTUS will be moved over to CMG Connect. No one who has already done safe environment training and a background check will have to re-do anything at this time. Users who are due for a 5-year recertification will be notified how to do that by their parish/school safe environment coordinator, who will also have info on both new programs.
