Sacred Relics of the Saints: Treasures of the Church - St. Peter the Fisherman Church in Mountain Home presents a teaching and exposition of Sacred Relics on **Tuesday, November 28 at 6:30 PM.** Father Carlos Martins of the Companions of the Cross will be here with his very special ministry to teach about these holy objects. He will bring with him over 150 relics, some as old as 2,000 years. Among the treasures will be relics of St. Joseph, St. Maria Goretti, St. Therese of Lisieux (the “Little Flower”), St. Francis of Assisi, St. Anthony of Padua, St. Thomas Aquinas, and St. Faustina Kowalska. In addition, there will also be present a portion of the veil of Our Lady, as well as one of the largest remaining pieces of the True Cross in the world. Those in attendance will be able to examine and venerate each relic. In the Church’s history, many miracles and healings have been worked in the presence of relics, and many have been healed through this ministry. Please do not miss this opportunity. You are encouraged to bring your articles of devotion (such as rosaries, holy cards, etc.) and pictures of ill friends/family members which you will be able to touch to the reliquaries as a means of intercession.

MAJOR CHANGES TO SAFE ENVIRONMENT PROGRAM!!!

In the Diocese of Little Rock,
Beginning July 1, 2017:

WHO must do safe environment training and background checks:

1) **Employees**

2) **Volunteers with Routine Contact w/ Minors**

- a. This includes only volunteers who have routine contact with minors as an essential part of their volunteer duties.
- b. Volunteers who do not have routine contact with minors as an essential part of their duties do not have to do safe environment training or background checks.

WHAT training programs:

“CMG Connect” → online training for **adults**

(<http://www.dolr.org/safe-environment>)

(or directly at: <https://littlerock.CMGconnect.org>)

“Circle of Grace” → in-classroom training for **children/youth**

We will no longer use VIRTUS’s “Protecting God’s Children” or “Touching Safety.” Instead, we will use products supported by **Catholic Mutual Group (CMG)**.

All data from VIRTUS will be moved over to CMG Connect. No one who has already done safe environment training and a background check will have to re-do anything at this time. Users who are due for a 5-year recertification will be notified how to do that by their parish/school safe environment coordinator, who will also have info on both new programs.
