I am 5 months old now. I'm about 12 inches long and I weigh about one pound. I'm really getting big and mommy can now feel me moving around. Maybe I'll play soccer some day. Keep praying for me.

FIVE MONTH DEVELOPING BABY – Your spiritually adopted baby weighs over one pound now. His mother can feel his movement now; before he was too small for her to feel. Although he swam with ease in his watery world, he needed to be big and strong enough to kick hard against the outside wall and dent it – the inside wall of the uterus has no feeling.

We are mid-way through the pregnancy now. Your prayers have helped your baby's mother continue with her pregnancy and seek the help she needs.

What is the Fortnight for Freedom? Each year dioceses around the country arrange special events to highlight the importance of defending religious freedom. The Fortnight for Freedom is from June 21—the vigil of the Feasts of St. John Fisher and St. Thomas More—to July 4, Independence Day. **How to Talk about Religious Freedom** - In this time of increasing polarization in our culture, we can contribute to a better understanding of religious freedom in a way that respects all people. **The insert in today's bulletin**, aims to help Christians speak with friends and neighbors about religious freedom and work to clear up misconceptions about it. For more articles and information, visit www.usccb.org and click or search fortnight for freedom.
